4. Old Business

4.1 Sponsorship progress

4.1.1 Letter distribution

- We have delivered some letters - once the next round goes out we will have delivered around 60 out of about 100 total

4.1.2 Follow-ups

- Should we follow up with those who we have distributed to already?
 - Make sure the letters have been properly received
- Brandon Chamber of Commerce - can write them, contact form
- It has been 1-2 weeks since some were delivered - that's enough time for them to have been received/looked at
- We can send Justine a generic letter, if she encounters someone she thinks would be interested she could give it to them - Sharon will send this to her and also a list of businesses we have already delivered letters to

4.1.3 Contributions

- Three businesses have sponsored so far

4.2 Financial overview

- See financial report
- Jaxson will ask about banking fees

4.3 Bag Tag League

- Limited new challenges occurring
- Should there be a stipulation that all league players must challenge at least once?
 - Implement this rule the next time we do a league like this

- End date: originally said August 21 - was decided at league to carry it through September
 - Should communicate this to those who are playing in the league
 - Will end on September 28
 - Send out a FB post, message (Sharon) and email (Jaxson)
 - Jaxson will draft up a message and send to Sharon
- Make the challenging rules less stringent, so players can challenge in a larger radius
 - Remove back-to-back challenge stipulation
 - Include this in the memo too - say we are opening up the rules a bit
- Get this message out before next Wednesday

5. New Business

5.1 AGM

- Need to announce it at least 30 days beforehand
- Have it following the September tournament?
 - Not a guarantee that this tournament is happening
- Announce the date, then we have a full month to figure out what it will look like - if the tournament doesn't happen, we can organize the AGM outside of that
 - September 28
- In the message to members, say what quorum is and how many need to be there

5.2 2025 Canadian Women's Event

- Sponsorship for prizes would be difficult, because we are already asking businesses for sponsorship for the course
 - Not a surety that we will have the course by then
- Would be May or June 2025
- They want to plan ASAP, but it would be difficult for us to commit right now
- Let them know that our priority right now is getting the course done
- Ask how soon they need to know, and if that is too soon for us, we can let them know we aren't able to this year but maybe next year we can
 - Sharon will send this message
- Sponsorship: reach out to manufacturers? More hesitant to ask local businesses again

5.4 September Tournament

- Thomas Weber is interested in hosting a tournament - BDGC would support this with scoring spreadsheet, website for registration, etc.
- We could offer to put the flags in for basket placements on the Friday
- Fundraiser for the course
 - Ask Thomas to advertise that a certain amount of proceeds would be donated to the club, instead of as a fundraiser
